

“TO BE THE BEST EVER”

Prior to the pandemic, I used to see him now and then during evening workouts in the gym of the golf club. He would be alone and he would go out of his way to respectfully and warmly greet with a charming smile. And, of course, I would return the greeting even as I worked diligently for the election of another presidential candidate who we believed possessed every trait to become the leader of our nation.

As the world turns, my gymmate, Ferdinand Marcos Jr, won the presidential election over VP Leni Robredo.

As the world turns some more, we ask what kind of a person did Filipinos elect? Are we facing a catastrophe? Maybe- maybe not.

Everyone has the capacity to be a better person. If one chooses to be a leader, one can also choose to be a better leader.

Or, one can choose to be the best ever leader.

President- elect Ferdinand Marcos Jr has the honor and privilege of constructively leading 110 million people.

He can successfully do this by subjecting every presidential decision to the test of what is best for our countrymen.

Let us fully encourage him to do this. END.
